

JOB TITLE: QC Technician (8-month contract)

DEPARTMENT: FSQA

REPORTING TO: QA Supervisors

OVERVIEW

The **Quality Control Technician** ensures that Daiya's food safety and quality standards are enforced and maintained at all stages of the manufacturing processes through routine quality monitoring, sampling and testing.

This will be an eight (8) month contract.

SHIFT TIME

- Monday to Friday (3:00pm – 11:30pm); Shift start times may be subjected to change depending on operational requirements. Overtime/Weekend work may be required.

DUTIES AND RESPONSIBILITIES

- Monitor the quality of raw materials, work-in-progress (WIP) and finished products through physical, chemical, organoleptic analyses and on-site quality verifications
- Conduct Pre-operational, mid-shift cleaning and bulk ingredient receiving quality checks
- Perform on-line quality checks
- Collect and perform chemical concentration tests
- Calibration checks of laboratory equipment (e.g. scales, thermometer bases and probes)
- Conduct metal detector, X-ray start and end checks if needed
- Conduct environmental monitoring and sampling if needed
- Encourage and enforce Good Manufacturing Practices (GMP) with staff; and ensure safe working conditions
- Other QC duties as assigned

QUALIFICATIONS

- College diploma or Bachelor's degree from a recognized university or college in Food Science, Microbiology or related discipline; the equivalent combination of education and experience may be considered
- Previous QA/QC experience in Food Manufacturing facility is an asset
- Ability to perform Microbiological testing and evaluation
- Working knowledge of HACCP, Prerequisites and GMP
- Good computer skills (Microsoft Word, Excel, Outlook, etc.)

- Sound and professional communication and interpersonal skills
- Organized, accuracy and attention to details

BENEFITS

- Competitive Wages
- Extended Health benefits fully paid by Daiya for your family
- 3 weeks' vacation
- RRSP matching your retirement contributions
- Annual Personal health and wellness fund
- Fun and creative environment
- Inspiring and innovative work
- Smart and passionate teams
- Making people and the planet a healthier place
