

POSITION DESCRIPTION

JOB TITLE:	Brand Manager
DEPARTMENT:	Marketing
REPORTING TO:	Director of Marketing

Welcome to the unexpected delight of plant-based exploration! We're the creators of a revolutionary cheese alternative that tastes, shreds, melts and stretches like traditional cheese. Today, as plant-based food grows in popularity, that spirit of innovation continues to inspire our team.

We believe in pioneering plant-based breakthroughs that delight people and planet. Our portfolio of great tasting foods provide an opportunity for everyone to gather around the table, whether you have food allergies, are flexitarian, vegan, vegetarian, or just plant-based curious!

We're one big family of food-loving Daiyans, and we're always on the lookout for people who share our passion, our vision, and our ability to make each other smile.

Reporting to the Director of Marketing, the **Brand Manager** will be responsible for creating consumer demand for key product lines that are the primary growth opportunities for the brand. The successful candidate will be a proven thought leader who is also capable of leading cross-functional teams and agencies to execute brand building initiatives, optimize product lines and deliver sustainable profit growth.

JOB RESPONSIBILITIES:

Technical: analytics, portfolio mix, innovation, communication planning & execution, category/sales support

- Frequently analyze category pricing, promotion, and competition utilizing internal and external data sources to report on performance
- Profitable portfolio management: identify, prioritize & exploit opportunities to benefit internally (volume/GP\$) and/or externally (customers/consumers)
- Implement flawless plans for innovative line extensions and new products
- Recommend, implement and analyze qualitative and quantitative research when needed
- Campaign Execution: execute multiple category marketing plans throughout year. Integrate activities of key departments, monitor timelines and effectiveness of tactical plans. Recommend corrective action as needed
- Category Management: develop & execute (via Sales Team) pricing, promotion, merchandising, and shelving program recommendations to support category and meet business objectives.
- Optimize profit margins for assigned product lines and contribute to corporate gross margin gains
- Supports Director of Marketing with annual planning and collaboration across key departments
- Manage respective portion of marketing budget

Leadership & Communication: cross-functional leadership, agency management, risk/business updates to SLT

- Collaborate with team members and external agencies to understand, align and activate against communication campaigns and innovation

- Create and align senior management to strategic category plans, business updates, and project risks
- Frequently communicates opportunities and risks to all areas of organization, including Sales Team
- Very strong business communications skills, ability to influence and detail orientation
- Exhibit leadership and accountability; has the ability to move a team towards a common goal through a respectful, collaborative approach
- Lead development and coaching of junior team member

What Will Make You Successful in This Role:

- 4-6 years of consumer product brand management experience, preferably in the food industry
- Consistently achieves results and is resilient in tough circumstances
- A proven builder with initiative, flexibility and can-do attitude
- You're adaptable and can tackle competing priorities resourcefully, see solutions that others don't see, and learns quickly from experiences
- P&L experience a must
- Strong influencer, skillful collaborator among peers, with experience in a matrix management environment
- Has the courage to step up and address complex issues in a respectful and collaborative manner
- A strong executer, who competes to win, stays laser-focused on the right results, and plans for contingencies
- Outgoing, enthusiastic, and engaging along with a passion for natural food products
- Strong understanding of the US CPG market, and dynamic between company, customer as well as consumer
- MBA highly desirable

BENEFITS

- Competitive compensation
- Extended Health benefits fully paid by Daiya for your family
- 3 weeks' vacation
- RRSP matching your retirement contributions
- Annual personal health and wellness fund
- Fun and creative environment
- Inspiring and innovative work
- Smart and passionate teams
- Making people and the planet a healthier place
